Gross Total Capacity (Litres)	Fridge 106lt / Freezer 12lt
Temperature Range (°C) Min	0
Temperature Range (°C) Max	Fridge +10 / Freezer -18
Energy Consumption	135kWh/Year
Refrigerant	R600a
Shelves	2 Metal Coated Wire
Feet	2 (front adjustable)
Defrost	Manual
Product Dimensions (mm)	895x545x605
Required Ventilation (mm)	50mm at the back 20mm sides
Gross Weight	30kg
Country of Origin	China
Warranty	3 Years

Classic 50' Retro Styling

Design aesthetics inspired by the 1950s, characterized by a nostalgic and vintage look that evokes the style and charm.

Crisper Drawer

Crisper drawers have a different level of humidity from the rest of the refrigerator, optimizing freshness in fruits and vegetables.

Mechanical Temperature Control

This fridge comes with a temperature control dial inside the fridge.

Internal LED Light

LED light enhances visibility inside the fridge.

Large Door Storage Shelf

Practical feature designed to maximize storage space and improve organization within the fridge.

3 Year Warranty

Three-year product warranty covering labour and parts ensures peace of mind
